

SOLDIER'S THINGS

Words and Music by Tom Waits

Slowly

Dav-en-ports and ket-tle drums _____ and swal-low-tail coats,

Ta-ble cloths— and pat-ent leath-er shoes,

Bath-ing suits and bowl-ing balls, and clar-i-nets and rings.

All this ra-di-o real-ly needs is a fuse.

A tink-er, a tail-or; a sol-dier's things.
