Verse 2:

Baby, tonight belongs to us,
 Everything's right, do what you must,
 And inch by inch we get closer and closer,
 Every little part of each other, ooh baby, yes.
 Let the music take your mind, just release and you will find
 (To Chorus:)

Verse 3:

Baby, let's cruise, let's float, let's glide,
 Ooh, let's open love and go inside.
 And if you want it, you got it forever.
 I could just stay there inside you and love you, baby.
 Let the music take your mind, just release and you will find
 (To Chorus:)
