### Additional Lyrics

I guess I'm a disappointment. Doin' everything I can, I don't wanna make you disappointed.  
 It's annoying. I just wanna make you feel like everything I ever did wasn't ever tryin' to make an issue for you.  
 But I guess the more you thought about everything, you were never even wrong in the first place, right?  
 Yeah, I'm-a just ignore you. Walkin' towards you with my head down, lookin' at the ground. I'm embarrassed for you.  
 Paranoia, what did I do wrong this time? That's parents for you. Very loyal? Should-a had my back, but you put a knife in it.  
 My hands are full. What else should I carry for you? I care for you, but...You don't wanna make this work, you just wanna make this worse. Want  
 You don't wanna know my hurt yet. Let me guess; you want an apology probably. How can we keep goin' at a rate like this?  
 We can't, so I guess I'm-a have to leave. Please don't come after me. I just wanna be alone right now.  
 I don't really wanna think at all. Go ahead, just drink it off. Both know you're gonna call tomorrow like nothin's wrong.  
 Ain't that what you always do? I feel like every time I talk to you, you're in an awful mood. What else can I offer you?  
 There's nothing left right now. I gave it all to you. Don't talk down to me. That's not gonna work now. Packed all my clothes and I moved out.  
 I don't even wanna go to your house. Every time I sit on that couch, I feel like you lecture me.  
 Eventually, I bet that we could-a made this work and probably would-a figured things out. But I guess I'm a letdown.  
 But it's cool, I checked out. Oh, you wanna be friends now? Okay, let's put my fake face on and pretend now.  
 Sit around and talk about the good times that didn't even happen. I mean, why you laughin'?  
 Must have missed that joke. Let me see if I can find a reaction. No, but at least you're happy.
