### Additional Lyrics

2. Another world, some other time,  
 You lay your sanity on the line.  
 Familiar faces, familiar sights.  
 Reach back, remember with all your might.  
 Ooh, there she stands in a silken gown,  
 Silver lights shining down. (Chorus)
3. Sleep and dream, that's all I crave.  
 I travel far across the Milky Way.  
 To my master, I become a slave,  
 Till we meet again some other day,  
 Where silence speaks as loud as war,  
 Earth returns to what it was before. (Chorus)
