*Additional Lyrics*

**Rap:** No more "please stop."  
 No more hashtag boo'd up screenshots.  
 No more tryna make me jealous on your birthday.  
 You know just how I make you better on your birthday, oh.  
 Do he do you like this? Do he woo you like this?  
 Do he lay it down for you, touch your poona like this?  
 Matter fact, never mind, we gon' let the past be.  
 Maybe his right now, but your body's still with me, whoa.
