**Lyrics:**  
 And I'll  
 watch your car — burn — with the fire — that you start-ed in me. But you nev-er came  
 back to ask it out. Go a-head and watch my heart — burn — with the fire — that you  
 start-ed in me. But I'll nev-er let you back to put it out.

**Rap:** 7-4-2008, I still remember that. Heaven sent a present my way.  
I won't forget your laugh. Packin' everything when you leave.  
You know you comin' back. Wanna see me down on my knees but that  
was made for a ring. I try to wait for the storm to calm down but that's stubborn, baby.  
Leadin' the war, we drawn down on each other. Try'n to even the score.  
We all been found guilty in the court of aorta.
